

## **FACULTY OF LIFE SCIENCES AND BIOTECHNOLOGY**

### **JUNIOR RESEARCH FELLOW (JRF) POSITION AVAILABLE**

Applications are invited for the post of Junior Research Fellow (JRF) to work on SERB, DST funded project entitled “Direct fermentation of cellulose and ligninases-pretreated cellulosic biomass by recombinant Clostridium strain for the production of butanol-a superior alternative fuel” under the supervision of Dr. A.K.R.Gobinath, Faculty of Life Sciences and Biotechnology, South Asian University.

**Qualification:** Highly motivated students from the background of **M.Tech** in Biotechnology/Biochemical Engg./Bioprocess Engg., or **M.Sc** in Biotechnology/Life Sciences are encouraged to apply. Preferences would be given to DBT/ CSIR / UGC NET qualified students. Prior experience is expected in one/more of the following fields which include molecular cloning, recombinant protein production from yeast and bacterial hosts, anaerobic clostridial fermentation, native and recombinant protein purification.

**Application Procedure:** A detailed CV indicating name, date of birth, address, contact number, e-mail address, educational qualifications, NET qualified or not, research experiences if any, should be e-mailed to **akrgobi007@gmail.com** on or before **31<sup>st</sup> July 2018**.

**Important Note:** Only short listed candidates will be called for interview at Akbar Bhawan, Chanakyapuri, New Delhi. No TA/DA will be paid for attending the interview. SAU Selection Committee reserves the rights to relax any of the qualifications in case the candidate is found otherwise well qualified. The above-mentioned post is temporary, and it will be offered for only one year.
