2. Background Information

- (a) The South Asian University (SAU) invites responses ("Tenders") to this Request for Proposals ("RFP") from Agencies/ firms ("Bidders" or "Applicants") for undertaking Comprehensive AMC of entire ICT infrastructure at SAU as described in the "Scope of Work" in this RFP.
- (b) All clarifications / corrigenda / extensions will be published only on the SAU website and/or eProcurement sites. The website for accessing the information related to this RFP is: <http://www.sau.int> (the "SAU Website" or "University Website" or "Official Website"). [Note:

From the “Home” page access the “Tenders” section to access all the uploaded documents related to this RFP.]

- (c) The bid documents can be seen and downloaded from the SAU website or the “eProcurement sites” viz <http://www.eprocure.gov.in> and from <http://www.tenderwizard.com/SAU> free of cost.
- (d) Proposals must be received not later than deadline mentioned in the Data Sheet.

3. Instructions to Bidders

3.1. General

- (a) While every effort has been made to provide comprehensive and accurate background information and requirements, Bidders must form their own conclusions about the level of support required.
- (b) All information supplied by Bidders may be treated as contractually binding on the Bidders, on successful award of the assignment by the SAU on the basis of this RFP.
- (c) No commitment of any kind, contractual or otherwise shall exist unless and until a formal written contract has been executed by or on behalf of the SAU . The SAU may cancel this public procurement at any time prior to a formal written contract being executed by or on behalf of the SAU .

3.2. Compliant Tenders / Completeness of Response

- (a) Bidders are advised to study all instructions, forms, requirements, appendices and other information in the RFP documents carefully. Submission of the bid / proposal shall be deemed to have been done after careful study and examination of the RFP document with full understanding of its implications.
- (b) Failure to comply with the requirements of this paragraph may render the Proposal non-compliant and the Proposal may be rejected. Bidders must:
 - i. Comply with all requirements as set out within this RFP.
 - ii. Submit the forms as specified in this RFP and respond to each element in the order as set out in this RFP
 - iii. Include all supporting documentation specified in this RFP

3.3. Clarifications & Amendment of RFP Document

- (a) Bidders may submit queries for clarification in the following format as an editable text file via email as specified in the Data Sheet:

S.No.	RFP Reference (Clause & Page No.)	Content of RFP Requiring Clarification	Points of Clarification

- (b) Bidders may seek clarification on this RFP document no later than the date specified in the Data sheet. The SAU shall not entertain any queries post that date. The bidders are requested to submit an editable text file of the queries through email to the SAU’s office as mentioned in the Data Sheet.

- (c) At any time before the submission of Proposals, the SAU may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the RFP documents by an amendment. All amendments / corrigenda will be posted only on the SAU's Official Website or eProcurement sites noted above. In order to afford the bidders a reasonable time for taking an amendment into account, or for any other reason, the SAU may at its discretion extend the Proposal Due Date.
- (d) Any corrigenda / clarifications posted on the Official Website and/or eProcurement sites shall be deemed to be incorporated into this RFP.

3.4. Right to Reject any or all Proposals

- (a) Notwithstanding anything contained in this RFP, the SAU reserves the right to accept or reject any Proposals or terminate the Selection Process at any time and without assigning any reasons.
- (b) Without prejudice to the generality of the above, the SAU reserves the right to reject any Proposals if:
 - i. a misrepresentation is discovered at any time, or
 - ii. the Applicant does not provide, within the time specified by the SAU, the supplementary information sought by the SAU .
- (c) Fraud, misrepresentation, or any other consent-vitiating response by the bidder may lead to the disqualification of the bidder. If such disqualification occurs after the Proposals have been opened and the highest ranking bidder has been disqualified, the SAU reserves the right to consider the next best bidder or take any other measure considered appropriate by the SAU, including termination of the Selection Process.
- (d) SAU makes no commitments, express or implied, that this RFP process will result in a business transaction with anyone.

3.5. Bid security / Earnest Money Deposit (EMD)

- (a) Bid Security (EMD) is required to be submitted by each bidder (the "Bid Security") as specified in the Data Sheet.
- (b) Bidders shall upload a scanned copy of the EMD instrument while submitting their e-bids and submit the original of the same by the proposal due date and before opening of the technical bids.
- (c) Any proposal submitted without EMD, mentioned above, will be summarily rejected.
- (d) EMD of all unsuccessful bidders would be refunded by the SAU. The EMD, for the amount mentioned above, of the successful bidder would be returned upon submission of Performance Bank Guarantee as per the format provided in this RFP.
- (e) The SAU will not be liable to pay any interest on bid security deposits.
- (f) The SAU will be entitled to forfeit and appropriate the bid security as a mutually agreed loss and damage payable to the SAU with regard to the RFP and without prejudice to the SAU's any other right or remedy under the following conditions:

- i. If a bidder engages in a corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice as envisaged under this RFP¹;
- ii. If a bidder withdraws its Proposal during the period of its validity as specified in this RFP and as extended by the bidder;
- iii. In the case of the selected bidder, if the selected bidder fails to sign the contract or provide the Performance Security within the specified time limit, or
- iv. If the bidder commits any breach of the terms of this RFP or is found to have made a false or misleading representation to the SAU.

3.6. Span of Engagement

(a) Comprehensive AMC will be awarded on year-to-year basis and shall be valid for THREE YEARS from the date of engagement with the Successful Bidder. AMC will be subject to annual review of performance of the Successful Bidder by SAU. It shall be the sole discretion of the SAU to extend the engagement contract on year-to-year basis, subject to satisfactory performance of the Successful Bidder.

(b) The services will be provided as per "Hours of Operations" mentioned hereinafter in Section 3.15.2. If required, additional manpower will be provisioned as and when required on any day including Saturdays, Sundays or other holidays in case of exigency.

3.7. Submission of Responses

8. Assisting with inventory control, including property tags
9. Assisting with tracking licenses for software
10. Detecting and removing spyware, viruses and other malware
11. Assisting in audio (sound systems) & photography (video / still) support needed for University events
12. Submitting a consolidated helpdesk performance report

(B) Network Management Support

The Network Management Support services are expected to be provisioned through appropriately qualified and experienced engineer(s) / consultant(s) who will perform routine & other network management tasks including, but not limited to, the following:

1. Troubleshooting, maintaining, installing/re-installing and configuring the hardware and software typically associated with network equipment – switches, router, Cyberoam UTM device, etc. including a windows DHCP server.
2. Identifying LAN (wired/wireless) faults (logical / configuration / physical) and getting them resolved.
3. Configuration / location changes in the Network devices.
4. Testing & troubleshooting of the UTP cables in case of any problem. Rectification of any problem in the UTP cable termination – RJ45/IO Box/ Patch cord will be covered under AMC; including re-punching of IO box/ replacing of faulty with new IO box, re-crimping of RJ45, replacing faulty patch cords with factory made patch cords (CAT-6), etc.
5. Diagnosing & troubleshooting problems related to slow speed in wired LAN related to PC, Network printers and other network devices.
6. Testing, troubleshooting of wi-fi network problems & restoring the connection from wi-fi router/ access points to the network devices (PC/Printers or any network devices).
7. Management, configuration, troubleshooting & comprehensive maintenance including replacement of Wi-fi routers/ access points.
8. Diagnosing & troubleshooting problems related to slow Wi-Fi LAN related to PC, Network printers and other network devices.
9. To manage, configure & troubleshoot for almost 100 % availability of present switches & routers and further addition of active elements if any.
10. Resolution of all software/firmware and hardware problems or failures relating to networking equipment, cabling/media, thin client devices, UTMs, UPSs, Servos, etc.

11. Installation of software updates/patches
12. Change in network equipment (UTM, switch, controller, etc.) configuration as per requirement.
13. Backup of all network devices configurations
14. Relocation or modification of hardware as requested
15. Assisting with inventory control, including property tags
16. Documentation of diagrams and configurations
17. Submitting a consolidated report on the network support
18. Repair and maintenance of fiber ports, single/multi-mode indoor/outdoor fiber cable including fiber splicing, cable re-dressing, terminating & testing.

(C) Hardware Maintenance Support

1. The hardware maintenance contract will be comprehensive and services will be required to be rendered by the successful bidder (vendor) at the SAU premises. All computer (desktop, laptop, servers) and network equipment on the present campus network (wired and wireless) will be covered under the comprehensive maintenance contract to be entered into.
2. The AMC will be comprehensive in nature. The AMC will include preventive maintenance, break down/corrective maintenance and supply of spares required for corrective maintenance of active and passive components. Corrective maintenance include repair of defects or malfunctions / non-functional caused for whatever reasons including voltage fluctuation wear & tear of all parts including plastic/nylon parts etc.
3. The AMC will also include maintenance of firmware / system software of router, firewall, core and network switches etc. If any parts are found defective, malfunctions or non-functional efforts may be made to repair it. If it is found beyond economical repair the same has to be certified by the firm and this defective part shall be replaced by a functional and good one (with same make, model, or high) without any extra cost. The defective, malfunctions or non-functional parts so removed shall be the property of the tenderer.
4. Services to be provisioned shall be inclusive of maintenance / repair / replacement of existing fiber & UTP cables / switches / media converters / patch cords (fiber & UTP) with same or equivalent brand located throughout the campus.
5. The parts/components/sub-assemblies used for repair/replacement by the vendor will be of the same/equivalent or higher make, functional capability & warranty as originally available in the systems.
6. The vendor will arrange all parts/components/sub-assemblies including cables, boards, cards, knobs, plugs, connectors, etc. Repair & replacement of parts shall be done by the vendor free of cost irrespective of the type of part, nature of fault or reason due to which the defect may have arisen. This includes any defect or malfunction that may arise due to wear and tear or burn out. Therefore, there shall be no payment for repair or rectification under any circumstance. Further, this AMC will exclude UPS batteries.
7. The systems that are not serviceable by the vendor due to obsolescence of technology or non-availability of parts/components/assemblies will be withdrawn from the maintenance contract. The decision of the SAU regarding non-availability and obsolescence of technology will be final. Withdrawal of such systems shall be communicated to the vendor and equivalent maintenance charges shall be deducted from the amount due to the vendor.
8. The maintenance should be both preventive and break down maintenance. The Preventive Maintenance Services should be carried out at least once every three months for all the hardware covered under AMC and each machine should be labelled after each preventive maintenance. The Preventive maintenance means quarterly servicing of the equipment

- whether the equipment has suffered a break down or not and it would include servicing, checking for availability of proper equipment earth, firmware upgrades, cleaning, etc.
9. In case of failure of critical network components (such as UPSs, Switches, Access Points, cyberoam UTM, etc.) that may need more than 24 hours to repair or replace (as per applicable service level for equipment under replacement warranty) vendor would make arrangement for a standby to be provisioned at SAU in order to maintain continuous functioning of the University network. For critical equipment, adequate and appropriate standby supplies shall be stocked onsite at the SAU for provisioning as and when required (this includes equipment under warranty).
 10. SAU shall not be responsible for situations beyond its control, such as those arising out of erratic power problems, that may cause equipment malfunction.
 11. The maintenance services will consist, inter alia, of
 - ✓ Attending to complaints on a daily basis.
 - ✓ Onsite preventive and corrective maintenance of all computers, servers, network equipment, UTM devices, thin clients, UPSs, end-point computing devices, peripherals, etc.
 - ✓ The maintenance contract will include necessary repairs to the installed systems and replacement of defective/damaged parts, components and other accessories free of cost.
 - ✓ Implementation of an appropriate web-based solution for asset management and centrally monitoring the network at vendor's own cost.

(D) System Administration Support Services

Engineers to be posted at SAU shall also perform routine system administration tasks for both servers and end-computing devices including maintenance of

- Antivirus (AV) software management for both clients and AV server
- Windows update server and client updates
- DHCP server
- Digital signage server
- Windows, Linux & AIX servers in virtualized environments
- Storage Servers

(E) Specialized System Administration Support Services

The successful bidder is expected to have readily-available offsite support assistance, if and when needed, for providing OEM coordination for hardware / OS issues in the ERP infrastructure comprising of IBM Power Servers, EMC SAN Storage, IBM Tape Library, Networker Software & AIX OS. If and when needed, such offsite resources will provide onsite support for specific incidents.

Besides the above mentioned representative areas of work, the engineer/ consultant will also be expected to occasionally assist SAU ICT staff in

1. Coordinating with ISPs in case of problems with internet leased lines.
2. Coordinating with EPABX service provider
3. Coordinating with OEM vendors & suppliers as and when needed
4. Generic ICT support both during working days and holidays
5. Providing support for voice / video / photography, etc. operations for University programmes that may be scheduled for holidays, Saturdays or Sundays

3.16. Service Levels

The problems will be classified into two Severity Levels:

- **Severity Level – 1** : Problems that can have severe impact on business affecting large number of users or a group of key University functionaries, e.g., any network equipment (e.g., Routers, switches, UTM, wi-fi controller, etc.), Server, etc.
 - Calls to be attended immediately and resolved within the same day (24 hours) either through: repair; bringing in a back-up equipment; replacement; reconfiguration of faulty LAN equipment/ interacting with vendor for the same in case equipment under warranty.
- **Severity Level – 2**: Only few users are impacted and the problem is not of Severity Level 1
 - Calls to be attended within the same day and resolved within 2 working days

Down time: will be calculated as below:

- For Severity Level-1 problem, each extra day (or part thereof) taken to resolve the problem beyond the stipulated one day (24 hour) resolution time will be considered as one week (seven days) down time.
- For Severity level-2 problems: downtime will be considered normal number of calendar days taken to resolve the problem beyond stipulated resolution time as stated above.

General Terms: for LAN (wired/wireless) equipment/connectivity:

- (i) The Comprehensive support should include standby equipment support at no extra charges.
- (ii) The severity level for network (wired/wireless) equipment/connectivity failure will be treated as severity level –1 problem as detailed above and downtime will be taken as one week down time for each day.
- (iii) **Severity Level 1 calls to be attended immediately and resolved within 24 hours (in one calendar day regardless of the nature of the day (working or holiday) after the same has been intimated).**
- (iv) An equivalent standby computer/network component (server, switch, AP, etc.) should be replaced in place of failed equipment and the failed equipment should be repaired/replaced within 10 days of failure or within warranty service level, if applicable.
- (v) All Servers and Network Equipment will come under the severity level 1.
- (vi) The penalty will be imposed automatically with no separate prior notice issued to contractor beyond the permitted attending & rectification time.

3.16.1. List of equipment to be brought under maintenance services

Bidders must include any parts/components not included in any OEM delivered package but needed to install or operate the same including termination (electrical or otherwise), cables (including any electrical cables needed for UPS installation), adapters, hardware, software, firmware, sockets, plugs, etc. No additional cost would be payable to implement/maintain the systems apart from the notified award.

The list of items to be included is mentioned in the Appendix.

3.16.2. Right to Alter Quantities

The SAU reserves the right to alter the number of hardware equipment specified in the tender in the event of change in plans. Any decision of SAU in this regard shall be final, conclusive and

binding on the bidder. The SAU reserves the right to include additional/fewer hardware equipment in the AMC at the agreed rates during the contract period with the same terms and conditions.

3.17. Prices, Penalties & Payment Terms

- (a) SAU will not accept proposals structured as an open-ended or time and materials contract.
- (b) Payments will be made after the last working day of each quarter against a proper invoice. If any complaint is not resolved within the stipulated service level resolution time then, as per the downtime calculated, 1.0% of the monthly payable amount (for Severity Level – 1 problems) and 0.5% of the monthly payable amount (for Severity Level – 2 problems) will be deducted for each day (or part thereof) of down time from the payment due. Penalties for each incident shall be capped, subject to a maximum of 10% of the monthly payable amount.
- (c) The South Asian University is an International Organization declared by the Central Government in pursuance of Section 3 of the United Nations (Privileges and Immunities) Act, 1947 (46 of 1947) and is therefore entitled to claim refund of Goods and Services Tax (GST) paid on the procurement of Goods and/ or Services. Therefore, any invoice raised should be in conformity with the various provisions of respective GST Acts.
- (d) Absence of service/system engineers, without suitable replacement, shall attract a penalty of Rs. 2500/- per person per day of absence and will be deducted from the payment due.
- (e) If Bidder fails to rectify the faults within reasonable time, SAU reserves the right to get it rectified through third party. The entire amount incurred towards rectification of such fault (configuration or otherwise) shall be deducted from bidder AMC amount.
- (f) All charges quoted by the vendor shall be on yearly basis exclusive of all taxes and levies applicable (all applicable taxes must be mentioned separately). No escalation of prices shall be permitted on any ground.
- (g) The Payment to Successful Bidder shall be requested on the basis of Biometric Attendance sheet which will have to be submitted with the quarterly bill. Certificate in regard of fulfilment of statutory compliance (PF / ESI / etc.) and payment of salary into employee bank accounts will also have to be submitted. Supporting documentation would have to be furnished as and when the University deems fit.

3.18. Termination Clause

The SAU reserves the right to terminate the contract with the selected bidder and recover from the selected bidder any expenses incurred by the SAU under the following circumstances:

- (a) The selected bidder commits a breach of any of the terms and conditions of the bid.
- (b) The bidder goes into liquidation, voluntarily or otherwise.
- (c) An attachment is levied or continues to be levied for a period of seven days upon effects of the bid.
- (d) If the selected bidder fails to comply with the service levels prescribed in the RFP, it will be a breach of the contract. The SAU reserves its right to cancel the award of work in the event of a delay and forfeit the bid security as liquidated damages for the delay.

- (e) If deductions on account of penalty exceeds 10% of the total contract price.
- (f) In case the selected bidder fails to deliver the required service support, the SAU reserves the right to procure the same from alternative sources at the risk, cost and responsibility of the selected bidder.
- (g) After award of the contract, if the selected bidder does not perform satisfactorily or delays execution of the contract, the SAU reserves the right to get the balance contract performed by another party of its choice by giving one month's notice for the same. In this event, the selected bidder is bound to make good the additional expenditure, which the SAU may have to incur in the performance of the balance contract. This clause is equally applicable if the contract is terminated by the selected bidder.
- (h) The SAU reserves the right to recover any dues payable by the selected Bidder from any amount outstanding to the credit of the selected bidder, including the pending bills and/or invoking the bank guarantee under this contract.
- (i) Undue delay and/or repeated failures to provide services as per tender document by the selected Bidder in the performance of it's contract obligations shall also render the bidder liable to any or all of the following consequences:
 1. Forfeiture of its security deposit.
 2. Termination of the contract for default.
